ACCESS INSTRUCTIONS for <https://BSTPN.org>

This is a member only meeting and you must be registered as a member in advance of the meeting. There will be no time to give member access on the day, itself. Member requests need to be made in advance of the meeting day via our volunteer chairperson, Derrin Kent (Contact details below).

We use Moodle and BigBlueButton software as they are both cost-free Open Source Software Services, looked after for us on a voluntary basis by The Development Manager (TDM), one of our Provider Partners.

On the day itself, you need to:

- Ensure you are using either  Chrome or  Firefox as your browser and that you have a good internet connection.
- Then, go to <https://BSTPN.org> and log in with your username and password:

Then, choose the **Network Meetings** link from the BSTPN Dashboard.

NB On another day, you or your colleagues might choose to attend one of our **Network Peer Review & Development Group** meetings, perhaps?

Now, link through to the LIVE NETWORK MEMBER MEETINGS page and .

LIVE NETWORK MEMBER MEETINGS

Use the meeting room above for **LIVE synchronous** meetings and discussions with other BSTPN Network members and stakeholders.

NETWORK MEMBER & STAKEHOLDER FORUM

This area above is for closed topic discussions relevant to BSTPN invited members and stakeholders only. For more public-facing announcements, also see the [site announcements](#) which we publish on our home page.

NB On another day, you may wish to post messages, announcements or questions for us all to receive on the **NETWORK MEMBER & STAKEHOLDER FORUM**

You will need to choose the microphone option and run an echo test.

Use the Big Blue Buttons at the bottom of the page to mute / unmute your microphone and to turn on your video camera.

Click on your own name (on the left of the screen) to set your status and to mute yourself.

Everyone starts with Cameras on and Mics muted.

New presenters should ask Derrin for a quick 10-15mins tutorial in advance of the meeting day.

See you all there!
